

WPSRD WEATHER LOUVRE - ROUND

DESCRIPTION

The WPSRD small round weather louvres are designed to provide weather protection of outside air or discharge openings, yet allow free passage of air.

These external louvres may also be useful for natural ventilation.

The WPSRD round louvres are manufactured in 50mm increments from 150Ø through to 1000Ø.

CONSTRUCTION

The Blades are of extruded aluminium with an aluminium spun frame.

Standard accessory supplied is 12mm x 12mm x 0.8mm bird mesh.

Standard finish is silver (other finishes available upon request).

OTHER MODELS

Large weather louvre, small weather louvre and channel weather louvre.
